Date & Time: Saturday, June 22, 2019 @ 9:00am – 12:00pm
Host: First Coast Skating Academy
Location: Jacksonville Ice & Sportsplex, 3605 Philips Highway, Jacksonville, FL 32207

Eligibility Rules for Participants: The competition is open to ALL skaters who are current eligible (ER 1.00) members of either the Learn to Skate USA program and those who are full members of U.S. Figure Skating. To be eligible, skaters must have submitted a membership application or be a member in good standing. Members of other organizations are eligible to compete but must be registered with Learn to Skate USA or a member club. There will be no more than six competitors maximum in an event.

Eligibility and Test Requirements: Eligibility will be based on skill level as of closing date of entries. All **Snowplow Sam and Basic Skills 1-6** skaters must skate at highest level passed or one level higher and NO official U.S. Figure Skating tests may have been passed, including Moves in the Field or individual dances.

For the **Pre-Free Skate, Free Skate 1-6**, eligibility will be based only upon highest free skate test level passed (Moves in the Field test level will not determine skater's competitive level).

Skaters may skate at highest level passed OR one level higher, but not both levels in the same event during the same competition. Skaters may not compete at more than one level in the same type event at the same competition.

It is very important to the success of the competition that skaters are placed in the correct divisions. If, for whatever reason, the Local Organizing Committee discovers that a skater has been placed in a category that is below his/her class level, the chairman and referee will have the option to move the skater into the proper division, even if this has to be done the day of the competition. This will ensure that every event is as fair as possible to the competitors.

Registration: Entries must be submitted by end of business on **Tuesday, June 4, 2019**. Entries will be accepted on a first come first served basis. The competition reserves the right to limit entries in each category and the right to combine, divide or cancel events. There will be no more than six competitors in an event.

General event parameters:

- Levels are based upon the skaters' highest pattern dance test passed.
- A solo pattern dance competition event will consist of the skater performing two solo pattern dances.
- The patterns to be skated depend upon which quarter of the year the competition is held. The skater will perform the two pattern dances listed for his/her level, based upon the date of the competition. If the competition falls over two quarters (for example, June 30th – July 2nd), the dance will be selected based on the start date of the competition listed in the announcement (in this example, the 2nd quarter).
- Skaters will complete both of the dances at each level. Dances will be scheduled at the discretion of the Chief Referee for each competition and may be competed consecutively or with a break in-between pattern dances groupings.
